

Angels not Pumpkins

Light up the 31st October and reclaim All Hallows eve message.

All Hallows Eve is better known by most people as Halloween and has become a commercial event, which is associated with horror movies and trick or treating. We would like to encourage people to reclaim the Light of Jesus in their homes, by displaying a white angel light, rather than a pumpkin!

Here is an opportunity to share a positive message with the children who come to your door. Gift wrap a few sweets or treats, and attach a gift tag, such as the one below. There is space to write your own message.

A sheet of gift tags for printing is available from our website: www.silentlights.co.uk/tags

To order an Angel like this call 01622 682255 or click on www.silentlights.co.uk

£34.99

20% of all sales of Angels placed before 31 October will go towards Toybox Guardian Angels Project.

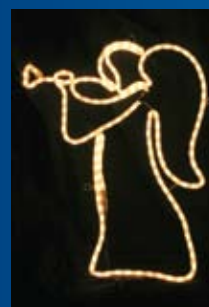

The real story...

...behind the 31st October is the eve of All Hallows or All Saints. This night is celebrated by Christians giving thanks for the life changing power of Jesus Christ and the promise of eternal life for all that believe. *John 3:16*
