

Plan for Family Trust Christmas Lesson

Aim :- To present evidence to show that the Christmas Story actually happened, and that Jesus was a real person in history.

Lesson Plan

A.) Classes together

- 1.) Ask questions to find out how much the children know about the Christmas story.
- 2.) Half hour video presentation taken from the BBC documentary 'Son of God'.

B.) In classrooms

- 3.) Quiz on the video. Multiple choice answers.
- 4.) Board game with dice and counters. The children pick up cards when their counters land on particular squares. The cards contain information which the children will need for the next section.
- 5.) The children answer questions in their booklets using the cards to find the answers. The information on the cards gives evidence concerning the Christmas Story.
- 6.) Missing word exercise. The children are given a number of verses from the bible, some giving Old Testament prophecies about Jesus, and some the New Testament fulfilments of those prophecies. There are some words missing from the verses. The children need to look up the verses in the bible to fill in the blanks.
- 7.) Match up the prophecies with the fulfilments
